

Versement Payment Procedure

If you have missed the book online deadline then you will need to pay for the course via a Bank Versement which can be collected off Head Coach at the pitch. **NO CASH PAYMENTS ARE ACCEPTED PITCHSIDE.**

Please remember to do the following;

- If you miss the book online deadline, then pitchside payment as indicated in table on website must be paid. Please do NOT pay the book online price. Book online is cheaper as it saves a huge amount of administrative time in the office and on the pitch. Paying through the bank account directly or with versement is more time intensive.
- Please collect the versement slip from the coach on your first appearance at the pitch.
- The coach will clarify the cost of the course as this is pendant on your start date.
- It is essential to make your remittance immediately after your first appearance so payment clears before your next visit.
- At the next session please bring a print out of the proof of payment and hand to coach at the next session so he can tick you off as paid.
- The course will NOT be considered as paid until you bring the proof of payment and hand it to the coach.
- Children who's course has not been paid for by their parents will unfortunately be stopped from participating in the session. Due to tardy payments in the past, we have had to adopt the policy of **No Pay, No Play.**
- **When making the payment it is essential to state the Full Name of the Child, Course Name, Date and Venue in your remittance, thank you. Once you handed the proof of payment this will be checked at InterSoccers' bank records, therefore these details are very important to track the payment.**

Thank you for your cooperation and quick payment.
